The companies under MUTS Services (Maintenance, Update, Training and Support) contract can register for free as many people as they wish (subject to availability) for training sessions that are related to software covered by their contract. The same applies to universities and public research centers as part of their contract for the use of ProSim software for teaching and / or research purposes. You have a MUTS Services number and want to register, add your MUTS number, and write 0€ in the amount column.

MUTS (\*\*) No.:

Name of the training	Dates	Amount
		€ exc. VAT
		€ exc. VAT
		€ exc. VAT
<b>Total</b>		€ exc. VAT
VAT (*) 19,6%		€
<b>Total (Tax incl.)</b>		€

Upon receipt of this registration form:

- with the payment by check or wire transfer (or purchase order),
- or after checking the validity of your MUTS Services No,

... and according to availability, ProSim will send you a registration confirmation.

Date: \_\_\_\_\_ Signature & company stamp:

(\*) VAT is due by attendees from France or from other European Union countries which are not liable for VAT in their country.

(\*\*) The MUTS number (Maintenance, Update, Training and Support Services) is a unique number provided par ProSim and associated with a service agreement.
